How to
Add a Content Area to the Course Menu.

Steps to follow

- Make sure Edit Mode is on (see figure 1)
- Click on the “+” (plus) icon (see figure 2)
- Select Content Area (see figure 2)
- Give the Content Area a name (see figure 3)
- Check the “Available to Users” box
- Click Submit
- A new link will be created on the Course Menu and is ready to add content (see figure 4)
