Students with Special Needs: If you need course adaptations or accommodation because of a disability, if you have emergency medical information to share with me or if you need special arrangements in case the building must be evacuated, please make an appointment with me as soon as possible. I will need a copy of the accommodation letter from Student Disability Services in order to arrange your class accommodations. Contact the Learning Center, Student Disability Services maintains the confidential documentation of your disability and assists you in coordinating reasonable accommodations with your faculty.

The last day to withdraw from a course is 11/17. Approvals for withdrawal are not required; however, it is strongly recommended that students consult with their academic advisors prior to deciding to withdraw. Cessation of attendance, notice to the instructor, or telephone calls to the Enrollment Center are not considered official notice of a student's intention to drop the course. After 11/17, withdrawals are allowed only under extenuating circumstances and require approval of the course instructor, department chair and dean of the School of Arts and Sciences.

Poor academic performance is not considered an extenuating circumstance. You are responsible for understanding and abiding by the University's policy on academic integrity. Information on the policy may be found at http://www.csu.edu/AcademicIntegrity/ This policy is rigorously enforced by the Department of Mathematical Sciences.
